## Comparison of Proposed Levy with Last Year's Levy on Average Residence

the of the the second second of the second s	Last	Year	This	Year	
Average Market Value of Residences	\$	83,843	\$	98,866	
Average Taxable Value of Residences	\$	36,586	\$	0	
Last Year's Rate Versus Proposed Rate per \$100 Value	\$	0.8888	\$	.6941	
Taxes Due on Average Residence	\$	325.18	\$	0	
Increase (Decrease) in Taxes			\$	(325.18)	

Under state law, the dollar amount of school taxes imposed on the residence homestead of a person 65 years of age or older or of the surviving spouse of such a person, if the surviving spouse was 55 years of age or older when the person died, may not be increased above the amount paid in the first year after the person turned 65, regardless of changes in tax rate or property value.

an election is \_\_\_\_\_\_.69410 . This election will be automatically held if the district adopts a rate in excess of the voter-approval rate of \_\_\_\_\_\_.69410 \_\_\_\_\_.

## Fund Balances

The following estimated balances will remain at the end of the current fiscal year and are not encumbered with or by a corresponding debt obligation, less estimated funds necessary for operating the district before receipt of the first state aid payment:

Maintenance and Operations Fund Balance(s) \$ 9,643,759

\$

## Interest & Sinking Fund Balance(s)

A school district may not increase the district's maintenance and operations tax rate to create a surplus in maintenance and operations tax revenue for the purpose of paying the district's debt service.

Visit Texas.gov/PropertyTaxes to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
