Thank you, Lana.

If you would, please email to me a quick note to confirm your understanding that tax rate calculations are not required. I received the documentation from Judge Mayden, but would like a note from you also to confirm.

Thank you!

Ms. Butler,

It is my understanding, as a branch maintenance tax, we collect .05/100 in valuation at the graciousness of the county. Our Board of Regents has no control over the rate that we collect on in Childress County.

Thank you,

Lana Ritchie
